

TOYS & GAMES FOR PEOPLE AT EVERY AGE & STAGE
EDWARDSVILLE, IL ~ CLAYTON, MO

We Can Help Make Your Group's Game Night Easy!

We want to increase the playtime parents and children share with each other. To encourage playing, communicating, and laughing together, Happy Up Inc. is dedicated to help your group find the fun in game night!

- All ages are welcome– Parents/grown-ups are expected to stay and play along with their children.
- We bring lots of games for your guests to play at different stations. The games we bring are fun for pre-k kiddos to grandparents!
- Our Staff will come to your event, train your volunteers, and stay to help keep the fun going!
- Your group publicizes the event and handles the rsvp's so we know how many people to expect.

Our game nights are designed to be a family-friendly event. To make the evening complete, many groups like to have pizza or other refreshments available.

For more information or to schedule your event, please call
